

First Time Buyer Mortgages

When placing clients that are buying their first home, it's not just a great rate that you're looking for. We understand the pride of owning your first home and standing on your own two feet, so we don't ask for family savings to be held in trust, second charges on parents' properties or extra security from a government scheme.

With one of our first time buyer mortgages, your client can borrow up to £500k at 95% with no arrangement fee. We can also lend up to £750k at 90%. Because we know first time buyers might have limited credit histories, we treat them as people, not just credit scores.
